Said Sublease is subject to the following:

- a) Mortgage dated June 9, 1976, filed in said Office of the Assistant Registrar as Document No. 768534, and also recorded on June 14, 1976 in said Bureau of Conveyances in Liber 11465 at Page 261, made by SWIRE-McCORMACK LTD., as Mortgagor, to SWIRE PROPERTIES (Netherlands) B. The Developer has advised the Commission that at the time the first apartment lease is entered into between said Owners and Tenant, as Lessors, and an apartment purchaser, as Lessee, every mortgage and other lien affecting both such apartment and any other apartment shall be paid and satisfied of record, or the apartment being leased shall be released therefrom by partial release duly recorded.

MERGER OF INCREMENTS; RESTRICTIVE COVENANTS: Prior to issuance of a Final Public Report for this project, the Developer will place on record a Declaration as to Merger of Increments in a Condominium Project, a draft of which has been filed with and is available for public inspection at the Office of the Real Estate Commission. Said Declaration will affect the Project and approximately 12.022 acres of additional property. In addition, the Developer will place on record prior to issuance of a Final Public Report on this project, a Declaration of Covenants, Conditions and Restrictions affecting the project and other property, a draft of which has been filed with and is available for inspection at the Office of the Real Estate Commission.

Prospective purchasers are advised to carefully examine the form of Declaration of Horizontal Property Regime, Declaration as to Merger and Declaration of Covenants, Conditions and Restrictions so that they may familiarize themselves with this Project, how this increment will be merged into one or more future increments, and what restrictions and obligations will apply to all purchasers in each increment.

Among other things, the proposed Declaration as to Merger explains that 1) it is the intention of the Owner and Developer to merge each increment with all prior increments so that upon completion of the last increment, the entire property shall be controlled and administered as a single condominium project; and 2) that while merger will affect the administration and use of increments and the sharing of common expenses, the ownership of apartments and their appurtenant common interests in each respective increment will not be affected.

The proposed Declaration of Covenants, Conditions and Restrictions provides, among other things, for mandatory membership of each purchaser in a PuuAlii Community Association, which will be created primarily to provide for the management, maintenance, protection, preservation, architectural control and development of "Association Property" (consisting of this Project and said 12.022 additional acres), a 3.638 acre "Recreation Property", and any additional adjacent properties added to either category.

PURCHASE MONEY HANDLING: A copy of the executed Escrow Agreement dated March 10, 1977, identifies Security Title Corporation, a Hawaii corporation, as Escrow Agent. On examination the specimen Receipt and Sales Contract and the executed Escrow Agreement are found to be in compliance with Hawaii Revised Statutes, Chapter 514, and particularly Hawaii Revised Statutes, Sec. 514-35 and Section 514-36 through Section 514-40.

Among other provisions the executed Escrow Agreement states that a purchaser under a Receipt and Sales Contract shall have the right to cancel his agreement to purchase and to obtain a refund of all moneys held by Escrow which were paid by such purchaser under such sales agreement if (a) (i) the Final Public Report is not issued by the Real Estate Commission within one year from the date of issuance of the Preliminary Public Report, or (ii) there is any change in the condominium building plans subsequent to the execution of the Receipt and Sales Contract and prior to the issuance of said Final Public Report, which change requires the approval of a county officer having jurisdiction over issuance of permits for construction of buildings, and Seller fails to obtain the purchaser's written approval or acceptance of the specific change (unless ninety (90) days have elapsed since the purchaser has accepted in writing the apartment or he first occupied the apartment), or (iii) the Final Public Report differs in any material respect from the Preliminary Public Report, and (b) the purchaser delivers notice in writing to Seller and Escrow cancelling the Receipt and Sales Contract and requesting such refund prior to the expiration of ten (10) days after the occurrence of any of the foregoing conditions.

Among other provisions, the specimen Receipt and Sales Contract states that 1) if the building is not erected within two years from the date of the Sales, the purchaser may cancel said Contract upon written notice to Seller within sixty (60) days from the end of said two year period (unless the purchaser waives said delay), and 2) Seller may, at its option, terminate the Sales Contract if it fails to sell at least 50% of the apartments in the Project by a certain date, but should Seller do so, it will refund all of purchaser's payments with interest.

MANAGEMENT AND OPERATIONS: The Developer has advised that it is currently negotiating with Certified Management, a division of A R Corporation, a Hawaii corporation, for a property management and agency agreement.

The Developer and its agents are not offering to provide services relating to the sale or rental of apartments purchased in the project, and no representation or reference to that effect has been or will be made by or on behalf of the Developer.

STATUS OF PROJECT: The Developer has advised that construction of said building and apartments has commenced May 16, 1977.

The purchaser or prospective purchaser should be cognizant of the fact that this published report represents information disclosed by the Developer in the required Notice of Intention submitted on April 22, 1977.

This PRELIMINARY HORIZONTAL PROPERTY REGIMES (CONDOMINIUM) PUBLIC REPORT is made a part of REGISTRATION NO. 907 filed with the Commission on April 22, 1977.

The report, when reproduced, shall be a true copy of the Commission's Public Report. In making facsimiles, the paper stock shall be yellow in color.
